

2019 Art, Essay, and Video Contest

Topic and Rules

Students will create some kind of art (grades K-5), an essay (grades 6-12), or a video (K-12) to tell us the following:

- What is your dream job?
- What is it that draws you to STEM? What is your favorite thing about STEM?
- What do you want to do to change the world, and how would you incorporate STEM to do it?

Art Entry: Grades K-5 only (Topic: Create an artistic piece illustrating the above bullet points.)

Artwork dimensions: two dimensional (flat) project that is either 8 ½" x 11" or 8 ½" x 14" (inches)

If your chosen medium is 3D, please include multiple good quality photos and an explanation of the piece.

Essay Entry: Grades 6-12 only (Topic: Write a personal essay explaining the above bullet points.)

Essay length: typed essay of no more than 500 words. If submitted electronically (emailed), the essay can be a Word document OR in .pdf format (no .jpg or other image formats). A scanned copy of the Official Entry Form in .pdf format must accompany the essay. Please see below email options.

Video Entry: All Grades (Topic: Create a video covering the above bullet points. Videos must be between 30 seconds and 1 minute in length. Please upload to YouTube or Vimeo and email us the link, along with your entry form.)

Introduce yourself (first name only) and tell your age and grade level; then tell your story. Be creative, and think outside the box: sing a song, wear a costume, create an interview setting; use your imagination!

Any questions may be directed to Paige Barnes at CEEF: pbarnes@ceef.org
